

WARRAMUNDA ESTATE LIV ZAK

2015 CABERNET SAUVIGNON

BLEND

Cabernet Sauvignon.

COLOUR

Red with soft mellow edge.

AROMATICS

Aromas of vibrant red and black fruits, old spice and fragrant wild herbs open from the glass. Further time in the glass reveals black pepper, potpourri and hints of dark chocolate.

PALATE

The medium bodied palate has a well-defined core of blackcurrant, mulberry and spiced plum tied together by fine, chocolaty tannin. This is a soft and silky wine with a long, savoury finish.

AGEING POTENTIAL

10 years +

WINEMAKING

Each parcel was hand-picked and a combination of whole berries and crushed fruit was included in the ferment. Fermentation took place in open fermenters at cool temperature to preserve aromatic detail and ensure only the softest tannins are extracted. Each parcel was then pressed to 500L puncheons and matured for 24 months prior to bottling and bottle maturation.

VINEYARD NOTES

Sourced from the highest part of our home vineyard in Coldstream, Liv Zak Cabernet Sauvignon was selected from two of the great Australian cabernet clones; SA 125 and Reynella. Each clone complements the other to produce a plush and stylish wine that presents pure regional and varietal character.
